

Our main office is located in Rotterdam, The Netherlands. Our subsidiary office is located in Kathmandu, Nepal.

This site is up and running but far from complete. If you want to take a look, please do. The website development is an ongoing affair with the assistance of npn.com.np. We very much appreciate any comments on our website from suggestions to being made aware of incorrect information on our website.

Our programs will be of a cultural nature as opposed to the many trekking programs that are available from other travel-agents. We will make special efforts to create programs which will support the Nepal Tourism Year 2011.

Nepal Tours & Travel: a true blend of Culture and Nature !!!!

Our main goal is to promote and show Nepali Culture & Nature to YOU !!!

For this we are setting up a large number of fixed programs which can be connected to the available flight-schedules, providing direct or indirect flights from London, Frankfurt or Amsterdam to Kathmandu which will bring Nepal closer to you then you think.

We are offering 2 sorts of programs which all, in essence will provide the same cultural experience, but 1 set of programs (our DeLuxe Trips) will be set up for those who want to be really pampered, stay in luxury hotels etc. , and the other (Standard Trips) are more packaged deals and therefore will be cheaper in price. Both programs are executed with the same care and accompanied by the groups own tourguide who will speak Nepali, English, German or Dutch.
